Recommendation

Review the proposed Ordinance, provide modifications as appropriate, and determine if the Ordinance should move forward.

Summary

City Council previously discussed at a Work Session, the proposed massage therapy ordinance derived from the regulations adopted in Laramie County, Wyoming. A Public Hearing and First Reading on the draft ordinance discussed at the Work Session was scheduled for September 1, 2020, but was canceled by minute action for the purpose of permitting Council to engage in additional discussions and work on a revised massage therapy ordinance.

Council established a Committee led by Councilmembers Steve Cathey (Chair) and Mike Huber, and consisting of massage therapy professionals who practice in the City of Casper. The Committee met on September 16, 2020, and September 29, 2020. The purpose of the Committee was to gather ideas for the development of a new, simplified and less burdensome ordinance.

The new proposed Ordinance provides for:

- Law enforcement background checks and fingerprinting;
- Education of at least 500 hours, which would include classroom and hands-on education;
- Proof the applicant has passed the MBLEx, a national examination administered by the Federation of State Massage Therapy Boards;
- Professional liability insurance requirement;
- Minimal application fees with renewal every two years;
- Grandfather provision for professionals who have practiced for at least two of the last three years in Casper, Wyoming, and have graduated from a massage therapy program.

Financial Considerations

There will be minimal revenue from issuing licenses and permits, but work time spent on licensing and enforcement may be greater than the recovered fees.

Recommendation

That Council approve Casper's Council of People with Disabilities (CCPD) to develop and sell 2021 "Heroes of COVID-19" calendars to raise funds for future initiatives.

Summary

Casper's Council of People with Disabilities would like to create and sell a 2021 calendar to raise funds for future CCPD training and projects. The theme of the calendar is proposed to be "Heroes of COVID-19". The calendar will feature a collage of workers in the community that have provided uninterrupted service during the pandemic. The photos will highlight people with disabilities as much as possible and the monthly calendars will note disability-related dates of observance, such as the anniversary of the enactment of the Americans with Disabilities Act (ADA) and dates devoted to the awareness or celebration of various disabilities. A written proposal was reviewed and approved by the CCPD membership at a regular business meeting on August 26, 2020 and is attached for City Council's consideration.

Financial Considerations

Casper's Council of People with Disabilities utilizes fundraising and events to finance future initiatives. Raising funds ensures that the CCPD can be self-sustaining, rather than requesting contributions from the City Council each year.

CCPD Calendar Fundraiser Proposal for fall 2020

Fundraising Subcommittee: Linda Jones – Chair, John Wall, Michelle Onstott, Zulima Lopez

The Fundraising Subcommittee of the CCPD proposes a calendar fundraiser with the following general ideas:

1. Theme will be Casper's Heroes of COVID-19 featuring a collage of photos of people who have provided uninterrupted services during the pandemic such as:
 - Grocery store workers
 - CATC/The Bus
 - Hospital and other health care workers
 - Parents/students/teachers
 - Retail workers
 - Public Safety workers including police, fire, and EMTs
 - City service workers including solid waste, utilities, and animal control
 - Photo releases will be required
 - Disabled persons will be featured in photos as much as possible
 - Photos will not promote/feature specific private businesses or corporations
2. Calendar Format
 - Single page approximately 11 x 17 with logo, Casper landscape photo, and heroes photo collage
 - Monthly tear-off calendar sheets approximately 8x10 stapled to the collage page
 - Recommend the collage page be professionally printed for high quality look
 - Tear off calendars could be printed in house to save printing expenses

 - Make 100 calendars to start
 - Estimated the calendars could be made for \$5.00 or less each and sold for \$10.00
 - Solicit local businesses to sell calendars – convenience stores, local restaurants, etc.
 - Advertise sales on FB
4. Possible uses for raised funds:
 - Conferences/education for CCPD members on ADA and advocacy topics
 - Sponsor recreational opportunities for the disabled (application and award process)
 - Provide vouchers/tokens for transportation for disabled people (CATC tokens, taxi vouchers, etc.)

The data was compiled to show the number of parking citations issued versus warnings, and if there are multiple citations/warnings issued to the same registered owner. The data only reflects the vehicle and the registered owner and does not show who the actual driver may have been if different from the owner.
